AUGUST 2013

CAMERON ROSS KEMARRE

Check out our new piece by Cameron Ross titled 'A Cloud Over Coober Pedy'. Working with a range of dotting tools from toothpicks to fine brush he creates the most incredible fine work. It is very rare we have one available!

EXHIBITION SCHEDULE

In late August we will be launching 'On the Wild Side' with a selection of works for a brave audience! In October we will honour the talents of artists who have left us with a special exhibition titled 'Memories of those passed'

INDULKANA IMAGERY

It was a delight to hear so many positive comments about our exhibition last month Indulkana Imagery. A quote from a client on opening night was 'It is a refreshing change and it is so good to see a diverse range of styles from one area'. With pieces being sent from this show all around the world there are still a few remaining, be quick!

DID YOU KNOW?

The museum "La grange" in Motiers, Switzerland, is also solely devoted to Australian Aboriginal art.

LENNAH NEWSON ESTATE

We are pleased to have a rare collection of Lennah Newson's baskets and bags in the gallery this month. Lennah was born in 1940 in Launceston, Tasmania and sadly passed away in 2005. Her pieces have been collected by the National Gallery of Victoria in Melbourne and the National Gallery of Australia in Canberra. Don't miss the chance to purchase one of her beautifully crafted and collectable pieces.

BACK UP THE CANNING STOCK ROUTE

We are travelling back up the Canning Stock Route this month with our new exhibition launching on the 2nd of August. We will be showcasing a wide range of artists including two huge 3 meter pieces by Balgo Hills artists Elizabeth Nyumi Nungurrayi and Brandy Tjungurrayi. The Canning Stock Route runs from Halls Creek, just South of the Kimberley, Western Australia to Wiluna in the mid-west region. Mark this on your calendar as it will be a show not to miss!

NEW SALE PAGE

Last month we had a 'Really Big EOFY sale' resulting in a number of large pieces going to new homes. This month we have a Small Sale featuring smaller works for clients with smaller houses or who 'just haven't got a wall left'.
