EXHIBITIONS

Local talent Mick Quilliam's November solo exhibition was very well received with over half the pieces selling within the first week and several commissions taken. Don't ignore the remaining works! We will begin January 2015 with a solo blockbuster exhibition by Charmaine Pwerle! Charmaine comes from a family with rich artistic talent; her grandmothers include Minnie Pwerle and Emily Kame Kngwarreye, Emily being the most famous Indigenous artist ever! Charmaine will be painting at Art Mob for the first few days of her show.

SEASON'S GREETINGS

Euan, Emma & Jake thank you for your support in 2014 and wish you a safe and Merry Christmas. We have stocked up on present items and we will make sure you receive them before December 25! Don't forget our Tasmanian blank card packs!

JULIAN OATES

Julian has continued to amaze us with his forever evolving style! His last 2 x 1.1m piece lasted about 3 minutes before finding a new home with a Melbourne based client. Julian has just delivered a new 2 x 1.1m piece titled "Quela's Infinity Sphere". You had better be fast! It is sure not to last long! If this is too big for your walls Julian has been working hard on a few smaller detailed pieces and you can view them here: http://www.artmob.com.au/artists/julian_oates/

CHRISTMAS SALE

To bring in the festive season we are launching a huge Christmas sale with paintings, prints, sculptures & baskets at tremendously reduced prices! Jump in quickly to avoid missing out on your favourite pieces!

JILAMARA EXHIBITION

Tiwi artist Brian Farmer Illortaminni & art centre manager Geoff Crispin will be opening our Jilamara kapi ngingawla ratuwati kapi ngingingila ratuwati exhibition. For those of you not literate in Tiwi language it translates as "...Jilamara from our island to your island" at Art Mob at 6pm Friday 5th of December. Art Mob has shown works from Jilamara, Melville Island, Tiwi Islands since November 2003!

ART TRADE NEWS

We are happy to report that the Federal Minister for the Arts has recommended that the Indigenous Art Code remain as a voluntary code of ethics. Art Mob, as a member of both the Indigenous Art Code and Art Trade Association, is pleased with this outcome. We note with sadness the impending closure of both Gallery Gabrielle Pizzi in Melbourne and Marshall Arts in Adelaide. The continuing demise of galleries around Australia must surely be sending a message to the Government. Sadly it falls on deaf ears and will continue to so do until self managed superannuation funds are able to include art and other collectibles in their portfolios and the current impositions reversed.
