## JAN 2013

### Dennis Nona Sessarae print

We recently acquired the hand coloured linocut print #39/45 of Dennis's very famous print. This is probably the work that commenced the recognition of Dennis Nona as an artist of great note. The dugong story that Dennis tells is one of those truly amazing ones that outshines the Wooden Horse of Troy! This is not only an amazing investment – it's truly wonderful!

### Bill Harney back in town

Bill will celebrate his 83rd birthday on the opening night of our first exhibition for 2013 – 'Wardaman Medicine'. This exhibition is sure to fix you up real good! Come in and see him painting in the Atrium and let Bill tell you a story or two – maybe accompanied by didgeridoo.

### New works from Raminging

Did you see the movie "Ten Canoes"? It's well worth viewing and so is the art from that region. We have just received 9 paintings from the Bula'Bula art centre at Raminging including some by Philip "Pussycat" Gudthaykudthay. You can see them on our Stock Works page 23.

### Hot regions of 2012

Reflecting on where art interest came from in 2012 focussed us on Tiwi Islands, Ngaanyatjarra country, East Pilbara Martu region and locally in Tasmania. Why? Perhaps it was Timothy Cook winning the 29th Telstra NATSIAA in Darwin in August bringing attention to the Tiwi Islands art, our amazing offerings of artworks from Papulankutja Artists at Blackstone in the Gibson Desert, our 10th anniversary exhibition "Martumili Artists at Art Mob" in April and sadly the passing of Ros Langford in August. We encourage you to review our exhibitions under Schedule on our website – there are still sensational works available.

### Balgo Blitz continues

Last month it was 20% off – it's now 30% off and that's where it stops! We have exceptional works from Warlayirti Artists at Balgo Hills going back to 2000 but our current relationship there encourages us to work closer with other art centres. Take a look at these on our SALE page.

# ART MOB JOMEN NONA'S NEW LINO CUT PRINTS

Our connections with Badu Island in the Torres Strait continues. Jomen Nona's "Trading of Skulls for things" print in Badu Brilliance attracted a lot of attention. He has now just editioned his latest linocut with Theo Tremblay in Cairns – absolutely amazing work!
