### JULY 2013

#### INDULKANA IMAGERY

We start our new financial year exhibition schedule with "Indulkana Imagery" – a collection of very interesting paintings from the Iwantja Art Centre in Indulkana at the northern part of the PY Lands. They are true winter warmers – bright and expressive and with some quirky variations! Don't miss this show. It launches at 6pm Friday July 5.

#### BACK UP THE CANNING STOCK ROUTE

We are sure that many of you in the Brisbane area took advantage of seeing NMA's Yiwarra Kuju: The Canning Stock Route at the Queensland Museum recently. This blockbuster exhibition expands our knowledge of the cultural heritage of a very exciting artistic region. Art Mob revisits this in August with our own exhibition of paintings including some historically important works from Balgo Hills.

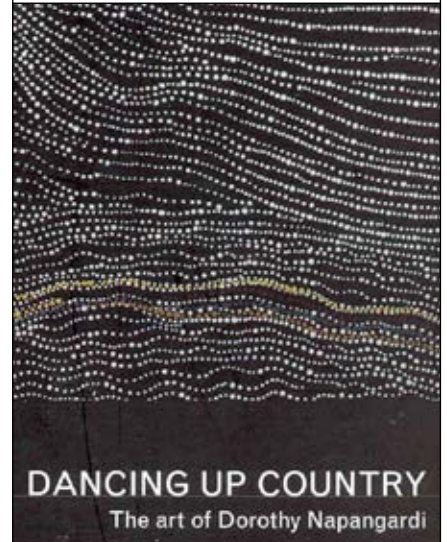

#### NEW WORKS

Betsy Napangardi Lewis late from Yuendumu, Fabrianne Nampitjinpa Peterson from Papunya, Debbie Coombes from Tiwi Islands, Kumpaya Girgirba from Wiluna, Kudditji Kngwarreye from Utopia, and Queenie McKenzie late from Turkey Creek are just a few of the artists whose works have come in to the gallery this month. Check them out under Stock Works 17.

#### VALE NAPANGARDI

We were deeply saddened to hear of the recent tragic passing of Ms Napangardi in a car accident near Alice Springs. She had won the Telstra NATSIAA award in 2001 along with many other commendations and her solo exhibition "Dancing up Country" at the MCA in 2002 consolidated her artistic prowess. We mourn with her family and community. If you would like something to remember her by we have a good number of copies of the Dancing up Country catalogue in stock at \$40 each.

#### JUNE SALE SUCCESS

Our Really BIG EOFY Sale followed our earlier June sale and many of you took advantage of some serious price reductions to add to your collections. This sale continues to the end of July and you can always feel free to ask us for our very best price on any stock. There's a chance we might oblige!

#### WEBSITE UPDATES

How do you like the new look Artists page on our web site? Our site is now hosted in Brisbane rather than in Perth – it's faster and we are getting rave reviews. Plus we have way better statistics so that we can fine tune what you want to see! There are over 160 exhibitions that cover the full history of Art Mob and our Themes section under Artists gives you an insight into specific areas. And unlike most other galleries who don't show pricing – we do! Remember that the price in most cases includes delivery, stretched & ready to hang on your wall.
