JUNE 2014

TOOTHPICK DOTTING

Cameron Ross Kemarre has painted this ultra fine White Kangaroo painting over the past 5 months. The vision of this white kangaroo has stayed with him for over 30 years! The Dreamtime is still alive!

TIWI BIRDS

A flock of ochre painted carved ironwood Tokwampini birds landed here recently. Some are quite old and are mostly priced at \$660 each. These sit quietly, make no mess and become great friends. Be quick!

FIRST GENERATION WARMUN ARTISTS EXHIBITION

This exhibition features the last remaining works from the estates of the late Queenie McKenzie and the late Jack Britten plus some paintings by renowned Gija artist Freddie Timms. Kevin Kelly of Red Rock Gallery has generously allowed Art Mob to showcase these. Two of Freddie's are 2012 works from Waringarri Arts. This show opens at 6pm Friday June 13th and can be previewed currently online.
