YIDUMDUMA BILL HARNEY - BUSH PROFESSOR

This exhibition launched in Katherine on May 6th and Bill was in great form. Bill's connection to his Wardaman country and the many rock art sites comes through strongly in his artwork. A group of his fans, including Euan and Catherine, camped out and visited some of these sites with the bush professor. Great news ensued with the granting of funds to tour this exhibition! Well done Margie West & the GYRACC team. We have the catalogue in stock at \$35 + post.

VALE JUDY NAPANGARDI WATSON

We were deeply saddened to hear of the passing of Mrs J. Watson on May 17. She was described as a formidable artist and was a mainstay of the art centre at Yuendumu. Art Mob has been a strong supporter of her and her artwork for many years and we mourn with her family and community.

MAY EXHIBITIONS

May was a busy month! Our pop up online Water Dreamings exhibition was preceded by Yuendumu & Youthful along with Anjolu's Birds. Karen Napaljarri Barnes's paintings almost flew out the door and we have just restocked with another 16 pieces! Steven Jupurrurla Nelson's paintings, too, were a great success with a number of overseas sales complementing the domestic sales.

JUNE AT ART MOB & DARK MOFO

Mid-winter in Hobart is BIG! The Dark MOFO festival attracts huge crowds so we are one step ahead of the pack. Our June exhibitions launch on Thursday June 9th with George Nona from Badu Island present to launch Dhoeries, Drums & Death Masks. George's death ritual drums are the first of their kind to have been produced in well over 100 years and pair up with death masks. Our demonic and (mostly) red theme will be our Argulas show - 45 paintings by Biddy Dale and 1 by her late husband Jack Dale. The argula is a devil spirit found in caves in the Kimberley and many stories are told of them. These paintings are very well priced at \$900 each - don't just buy 1 when you can have a family of 3 or more!

LOCKHART RIVER ARTS SALE

We had a call from the management at Lockhart River Art centre on Thursday May 26th in deep need of funds. This remote far north Queensland art centre is home to some brilliant artists including Rosella Namok, her mum Irene Namok, Fiona Omeenyo, Silas Hobson and many more but funding is not easy. So Art Mob leapt to the rescue announcing a 20% discount sale of their works. Be quick with this offer as we now have about 50 paintings remaining. Free freight anywhere in Australia and we can quote very favourably for FedEx overseas.
