NEW WORKS

There is always something new and exciting arriving for stock. We have two new pieces from a Tasmanian based artist Rissah Vox. Two new paintings by Julian Oates and a new echidna by Reuben Oates. A group of colourful pieces from Yuendumu including a range of new 30 x 30cm pieces. Our stock works pages on our website will keep you up to date with what is new!

QUEENIE MCKENZIE

We have purchased some more Queenie McKenzie paintings – 5 are her religious themed works. Not only was Queenie a very strong Gija cultural lady, she was also a devout Catholic and got to know Bishop Jobst of Broome well. These are very collectable!

UTOPIA AT ART MOB

Launching at 6pm Thursday October 6th 2016 is our blockbuster exhibition, "Utopia at Art Mob". We are featuring beautiful pieces by some of Australia's greatest Aboriginal artists including, the late Emily Kame Kngwarreye and Minnie Pwerle. There are also works by Gloria Petyarre, Kudlitji Kngwarreye, Emily Pwerle, Barbara Weir & others. Don't miss this exhibition!

FILMING IN ART MOB

Did you know amongst his many talents Euan is also now a film star? Last month in Art Mob, we had a crew recording their pitch film to receive funding from Screen Tasmania to produce a 6 part web series. A puppet called Madame Moonshine was haggling with Euan to sell her a shell necklace in exchange for a sorcerer's stone! We wish the cast and crew the very best of luck!

NOVEMBER EXHIBITION

Mick Quilliam's 9th solo exhibition is being launched at Art Mob on Thursday November 3rd 2016. "From the Land of the Sleeping Gods", will go live on the web shortly before the launch. We have had a preview as some are currently hiding in Euan's bedroom while he is in Italy. Be fast to secure your favourite pieces as Mick's paintings sell rapidly!

VALE NATALIE PUANTULURA

I woke up at 5am on September 17 on the Amalfi coast in Italy. The full moon reflected on the ocean and I knew then that Natalie had gone. The full moon was a special component of her intricate and geometric body paint designs - Jilamara. She was too young to go at 41. She had starred in 2 solo exhibitions with Art Mob and we had grown to love, admire and respect both her and her partner Edward Malati. We grieve alongside of her family and Tiwi Islander community and promise to remember her in our December exhibition A Tiwi Trio. She will be very greatly missed.
